BRIEF DESCRIPTION OF THE TOOL:

The *Merci de respecter mon rythme* stickers were created for the Elder Abuse Awareness Month of 2006 by CSSS's rehabilitation team and CHSLD's recreation team in Matane. Members of these teams distributed these stickers to people who require better care to improve their quality of life.

By putting the sticker "Merci de respecter mon rythme!" (Please respect my rhythm), which has a picture illustrating the message, on wheelchairs, walkers, canes, etc., seniors help people around them to pay attention to their needs.
