BRIEF DESCRIPTION OF THE TOOL:

When the retractable pen's mechanism is activated, it displays, one after another, in a tiny window the names and telephone numbers of resources in connection with elder abuse. Telephone numbers for the following resources appear:

- the "Info-Abuse" line
- emergency
- the "Info-Santé" line
- the Chambre des notaires
- "Breaking the Silence" is also displayed on the pen

This awareness tool is effective in reminding seniors that silence must be broken. This useful tool is easy to distribute to older clients.
