

## Screening framework

i-11

NO-THEM-  
-Z

### BRIEF DESCRIPTION OF THE TOOL:

This document is one page long. It is comprised of six components:

1. overall assessment of the person
2. the indicators of abuse
3. indicators of possible neglect
4. indicators of possible exploitation
5. indicators of possible abandonment
6. a summary

These components are made up of three to thirteen indicators measured on a scale ranging from "no evidence" to "irrefutable evidence ". For each section, space is reserved for additional comments.
