

Grille pour le bilan annuel des interventions dans la MRC Memphrémagog

i-12

NO-HZMVRH-Z-

BRIEF DESCRIPTION OF THE TOOL:

This *grid for the annual assessment of interventions in the MRC Memphremagog* aims to "identify and list the interventions made by the various partners, to identify successes and difficulties in interventions and to guide the prevention and intervention efforts of the committee in charge of prevention" (Table de concertation aux aînés de la MRC Memphrémagog, 2003 : 24).

Information about the senior victim and the abuser are fully de-identified to preserve confidentiality. Furthermore, one can find in the grid brief descriptions of the abuses and of the intervention (multiple choice possible).
