

## Protocole d'entente de collaboration interorganismes

i-4

NO-VIOLATION

### BRIEF DESCRIPTION OF THE TOOL:

This protocol aims to establish procedures for interagency cooperation to ensure coherence of action regarding abuse, neglect, violence against seniors and adults with diminished autonomy (with a collaborative approach).

The objectives of this protocol are: 1) "to establish a standing committee for intersectoral action to implement an integrated approach, as well as strategies for joint action"; 2) to break the isolation of the abused person, improve security, support and accelerate the processing of the application for assistance, 3) to ease access to support services required by victims and abusers; 4) to systematize and standardize the information necessary for the safety of victims; 5) maintain a systematic and dynamic collaboration by familiarizing oneself with the respective actions of each partner; and 6) to participate in the promotion of prevention regarding abuse and violence against seniors and adults with diminished autonomy (ibid.).
