PREVENTION

BRIEF DESCRIPTION OF THE TOOL:

The initial objective of the project was to meet with seniors living in residences and a group of high school students to educate them as to seven types of violence they may face. It denounces ageism, physical and verbal violence, harassment, blackmail and rejection due to shyness, or to physical or neurological handicaps (Alzheimer's).

During the presentations, various documents are given to participants, including a short questionnaire about the content of the video.
